

After Life (feat. Stacy Barthe)

Tchami

I got questions,

I got questions,

I got questions,

Spiritual questions,

I got questions,

I got questions,

I got questions,

Where do I go, in the after life

Where do I go, in the after life

Where do I go, in the after life

Where do I go, go-ooo

Where do I goooooooo

I got questions,

I got questions,

I got questions,

Spiritual questions,

Where do I go, in the after life

Where do I go, go-ooo

Where do I goooooooo

Where do I go, go-ooo

go-ooo

go-ooo

go-ooo

Where do I gooooooooo

Where do I gooooooooo

In the after life

In the after life

In the after life
