

Fine By Me (Intro) [Live]

[Andy Grammer](#)

You're not the type, type of girl to remain
With the guy, with the guy
Too shy, too afraid to say, he'll give his heart to you forever
I'm not the boy that will fall to his knees With his hands clasped tight
Begging, begging you please
To stay with him for worse or for better
But I'm staring at you now
There's no one else around
I'm thinking you're the girl for me I'm just saying it's fine by me
If you never leave
And we can live like this forever
It's fine by me
In the past I would try
Try hard to commit to a girl
Wouldn't get too far And it always somehow seemed to fall apart
But with you, you, you
I can see what I need
I can dream realistically
I knew that this was different from the start And it seems that every time
We're eye to eye
I can find another piece of you
That I don't wanna lose And I'm staring at you now
There's no one else around
I'm thinking you're the girl I need
I'm just saying it's fine by me
If you never leave
And we can live like this forever
It's fine by me
I'm just saying it's fine by me
If you never leave And we can live like this forever
It's fine by me
And it's never easy
Darling, believe me
I'm as skeptical as you When I think of life without 'us'
She's like "What we supposed to do?"
But I don't wanna come on too strong
I'm just saying it's fine by me If you never leave
We can live like this forever
It's fine by me
It's fine by me if you never leave
And we can live like this forever
It's fine by me

I'm just saying it's fine by me
If we never leave
And we can live like this forever
It's fine by me
