

Ain't Got Nobody

Weezer

[Intro]

I had another nightmare
Go back to sleep honey. Everything will be alright in the end

I'm going to L.A

Uhhh...

All the girls are laughing at you

I'm proud of you, son

Rock is dead. Guitars are dead

In the "Where Are They Now" category: The Astronauts, with their first big hit "Ain't Got Nobody."

Ain't

Got

Nobody

[Chorus]

Ain't got nobody, ain't got nobody
Ain't got no one to really love me
Ain't got nobody, ain't got nobody
Ain't got no one to kiss and hug me

[Verse 1]

I've been so patient
All around the nation
There ain't no one in all creation
I'm livin' all alone
Nobody at home
It's hard to fall asleep
I really start to freak

[Verse 2]

My daddy loved me
No one could touch me
Until he went up and left me lonely
That's human nature
We fail each other
And keep on searchin' for another

[Pre-Chorus]

I thought I had a friend

But she was just pretend
She didn't have a soul
Nothing I could hold

[Chorus]

Ain't got nobody, ain't got nobody
Ain't got no one to really love me

[Guitar Solo]

[Bridge]

Someone I could greet
When I come home from work
Someone who would smile
And take away the hurt

[Breakdown]

Ain't got nobody (ain't got nobody)
Ain't got nobody (ain't got nobody)
Could you be the one to really love me?

[Chorus]

Ain't got nobody, ain't got nobody
Ain't got no one to kiss and hug me

[Outro]

Do-do-do-do-do-do
Do-do-do-do-do-do
Do-do-do-do-do-do
