

# Secret (Shh)

Charli XCX

[Verse 1]

(Yeah)

Good girls shouldn't party  
We do what we supposed to do  
Speak, but never shout it  
Get home, be in bed by two  
But I don't wan' follow that, that no more  
I see myself all over you for sure  
You got me breaking all the rules  
Leggo, leggo

[Chorus]

If I share my secret, secret, ah ah  
Promise you'll keep it, keep it down  
If I share my secret, ah ah  
No one gets to know but you  
No one gets to know but shh

[Drop]

Shh

Shh

Shh

Shh

[Verse 2]

(Ah ha ha, mmm)

Please don't tell nobody  
I'm ready to climb the walls  
I know that you want it  
I'm ready to give it all  
I feel like an animal on all fours  
I see myself all over you for sure  
You got me breaking all the rules  
Leggo, leggo

[Chorus]

If I share my secret, secret, ah ah  
Promise you'll keep it, keep it down  
If I share my secret, ah ah  
No one gets to know but you

No one gets to know but shh

[Drop]

Shh

Shh

Shh

Shh

[Bridge]

Under the glimmering lights, my secret's out  
Now I got nothing to hide, come tear me down  
Shimmering all through the night, I'm tempted by you  
It's all true, oh

[Breakdown]

No-no-no-no one gets to know but you  
No-no-no-no one gets to know but  
Know but you, you, you, you  
No one gets to know but you  
No-no-no-no one gets to know but shh

[Drop]

Shh

[Chorus]

If I share my secret, secret, ah ah  
Promise you'll keep it, keep it down  
If I share my secret, ah ah  
No one gets to know but you  
No one gets to know but shh
