Run

Christina Perri

Why do I breathe
With what's beating in my chest?
You'd think I'd learn better now
Cause I can't get any rest.
Cause I
Keep trying
To find happiness
In everybody else.Please move that finger
That's been pointing to my mistakes.
I want no part
In the feelings you worst make.
So let go
And let me love you today...
And you're so damn difficult
You'd lose a heart in your hand
And I can't believe you'd make me work for it
No one understand
Why I dont run as fast as I can.And I can feel everything
I can feel your emptiness.
And I don't believe
There's a way out of this mess
Unless, I
Can forgive
All your sins:
I will learn
I'll never laugh again.
Again.
See right through
My words.
See I'm just like you.
Watch me stumble watch me choose
All your lies
All your lies.
All your lies.You're so damn difficult
You'd lose a heart in your hand
And I can't believe you'd make me work for it
No one understand
Why I dont run as fast as I can.
