

# Pray About Everything

Luke Bryan

Time is tight and money is short  
River's up and the weatherman  
He's calling for another storm Pressure's on, the margins thin  
Gotta figure out a fix for this awful fix I'm in  
Oh mama, what am I gonna do?  
She said, "Child there's only one thing you can do" Don't worry 'bout nothing  
Let it go, see what tomorrow brings  
Don't worry 'bout nothing  
Pray about everything, pray about everything  
Love is blind, fate don't care  
Lose your grip and your balloons go sailing off into the air  
Oh mama, what am I gonna do?  
She said, "Child there's only one thing you can do" Don't worry 'bout nothing  
Let it go, see what tomorrow brings  
Don't worry 'bout nothing  
Pray about everything, yeah, pray about everything Yeah, take a walk, take a breath, oh, give it  
all a rest  
Take a cane pole to the fishing hole and catch a couple of fish  
And just like that, toss 'em back and make a little wish  
Yeah, yeah Don't worry 'bout nothing  
Let it go, see what tomorrow brings  
Don't worry 'bout it  
Stress 'bout it, fret 'bout it  
Don't worry 'bout nothing  
Let it go, see what tomorrow brings  
Don't worry 'bout nothing  
Pray about everything, yeah, pray about everything
