

Wish for the World

Ryan Hurd

[Intro]

One, two

[Verse 1]

If I could make a wish for the world
There'd be one more cup ofâ€¦coffee
Inâ€¦the morning whenâ€¦you wake up
Just to soak theâ€¦morning in
If I could make a wish for the world
Everyone would say they're sorry
When they knew that they were wrong
And if they don't we'd still forgive

[Chorus]

A little more staring at the stars
A little more sittin' 'round the fire
A little less coming up with reasons
Not to chase your heart's desire
When it really comes down to it
If just one wish could come true
I wish everyone could find someone to love like I love you

[Verse 2]

If I could make a wish for the world
There would be more music
Whenever you got lonely
You could always find a friend
I wish hard times and heartbreak
Would fly right by like spring break
And summer and all other good things didn't have to end

[Chorus]

A little more staring at the stars
A little more sittin' 'round the fire
A little less coming up with reasons
Not to chase your heart's desire
When it really comes down to it
If just one wish could come true
I wish everyone could find someone to love like I love you

Like I love you, like I love you

[Bridge]

If I could make a wish for the world
We'd all get along at Christmas
You could find the answer
If you took a look inside
If I could make a wish for you and me
Forever, girl, we'd always be
Together 'cuz forever means you never say goodbye

[Chorus]

And a little more staring at the stars
A little more sittin' 'round the fire
A little less coming up with reasons
Not to chase your heart's desire
When it really comes down to it
If just one wish could come true
I wish everyone could find someone to love like I love you
Yeah, I wish everyone could find someone to love like I love you
Like I love you, like I love you
