

Emotional Machine

MARINA

[Verse 1]

It's hard to see
That you wanna be free
'Cause I don't love you
In the way that you want me to

[Pre-Chorus]

Cut from devotion, lost in an ocean
Out of emotion for you

[Chorus]

I'm a machine
An emotional being
Since I was a teen
Cut my feelings off clean, clean

[Verse 2]

It's no excuse
To treat me like you do
My perception is skewed
'Cause I know what you went through

[Pre-Chorus]

Cut from devotion, lost in an ocean
Out of emotion for you

[Chorus]

I'm a machine
An emotional being
Since I was a teen
Cut my feelings off clean, clean

[Post-Chorus]

Ooh, ooh
Ooh, ooh

[Bridge]

Did you ever truly love me?
(Did you ever truly love me?)
Were you just too scared to be free?

(Are you just too scared to be free?)
My God is dying silently (My God is dying silently)
Nobody believes, nobody believes

[Chorus]

I'm a machine (Oh)
An emotional being (Oh)
Since I was a teen (Oh)
Cut my feelings off clean, clean
I'm a machine
(Should I pretend that you didn't exist?)
An emotional being
(Should I act like you're somebody I miss?)
Since I was a teen
(A velvet glove around an iron fist)
Cut my feelings off clean, clean
(If you wanna survive, then ignorance is bliss)

[Post-Chorus]

Ooh, ooh
Ooh, ooh
