

# Beautiful Trauma

P!nk

[Verse 1]

We were on fire  
I slashed your tires  
It's like we burn so bright, we burn out  
I made you chase me  
I wasn't that friendly  
My love, my drug, we're fucked up, oh

[Pre-Chorus 1]

'Cause I've been on the run so long they can't find me  
You're waking up to remember I'm pretty  
And when the chemicals leave my body  
Yeah, they're gonna find me in a hotel lobby 'cause  
Mmm, tough  
Times they keep comin'  
All night  
Laughin' and fuckin'  
Some days like I'm barely breathin'  
After we were high and the love dope died it was you

[Chorus]

The pill I keep takin'  
The nightmare I wake in  
There's nothin', no nothin', nothin' but you  
My perfect rock bottom  
My beautiful trauma  
My love, my love, my drug, oh

[Post-Chorus]

My love, my love, my love, my drug, oh  
My love, my love, my love, my drug, oh  
My love, my love, my love, my drug, oh  
My love, (oh) my love, my drug, we're fucked up

[Verse 2]

You punched a hole in  
The wall and I framed it  
I wish I could feel things like you  
Everyone's chasing  
That holy feeling

And if we don't stay lit we'll blow out  
Blow out

[Pre-Chorus 2]

'Cause we've been on the run so long they can't find us  
Who's gonna have to die to remind us  
That it feels like we chose this blindly  
Now I'm gonna fuck up a hotel lobby  
'Cause these tough  
Times they keep comin'  
Last night  
I might have messed it up again  
Some days like I'm barely breathin'  
But after we were high and the love dope died it was you

[Chorus]

The pill I keep takin'  
The nightmare I wake in  
There's nothin', no nothin', nothin' but you  
My perfect rock bottom  
My beautiful trauma  
My love, my love, my drug, oh

[Post-Chorus]

My love, my love, my love, my drug, oh  
My love, my love, my love, my drug, oh  
My love, my love, my love, my drug, oh  
(My drug) my love, my love, my drug, we're fucked up

[Bridge]

Mmm tough  
Times they keep comin'  
All night  
Laughin' and fuckin'  
Some days like I'm barely breathin'  
After we were high and the love dope died it was you

[Chorus]

The pill I keep takin'  
The nightmare I wake in  
There's nothin', no nothin', nothin' but you  
My perfect rock bottom  
My beautiful trauma  
My love, my love, my drug, oh (drug)
