

# The Steps

HAIM

So baby, when I'm near you  
You can't feel me, I'm lightnin'  
You used to come by And sit down by my side You would come in close  
And take off all my clothes  
Every time I think that I've been takin' the steps  
You end up mad at me for makin' a mess I can't understand, why you don't understand me  
Baby  
And every day I wake up and I make money for myself  
And though we share a bed, you know that I don't need your help  
Do you understand?  
You don't understand me  
Baby  
All the ivy  
Is growing sideways  
You won't stop it  
'Till it covers all my place  
Every time I think that I've been takin' the steps  
You end up mad at me for makin' a mess  
I can't understand, why you don't understand me  
Baby  
And every day I wake up and make money for myself  
And though we share a bed, you know that I don't need your help  
Do you understand?  
You don't understand me  
Baby If I go right  
And you go left  
Hey, I know we'll meet up again  
And if you go left  
And I go right  
Hey, maybe that's just life sometimes Every time I think that I've been takin' the steps  
You end up mad at me for makin' a mess  
I can't understand, why you don't understand me  
Baby  
And every day I wake up and make money for myself  
And though we share a bed, you know that I don't need your help  
Do you understand?  
You don't understand me  
Baby
