

# Centre of Eternity

## Ozzy Osbourne

There's no present  
There's no future  
I don't even know about the past  
It's all timeless and never ending  
To take it in  
It's all too vastIt goes  
Forever and ever  
You thought you knew  
But you never  
There goes  
TomorrowJourney to the centre of eternity  
Journey to the centre of eternity  
The time is coming but also going  
And it's leaving never to return  
Maybe heaven could be forever  
But if it's hell then you can watch me burnIt goes  
Forever and ever  
You thought you knew  
But you never  
There goes  
TomorrowJourney to the centre of eternity  
Journey to the centre of eternityI got to travel forever  
It's all within my mind  
An endless path to endeavor  
But forever is a long long time  
There's no secrets and no corruption  
In the centre of infinity  
There's no limits in nonexistence  
And no beginning to my destinyIt goes  
Forever and ever  
You thought you knew  
But you never  
There goes  
TomorrowJourney to the centre of eternity  
Journey to the centre of eternity
