

# Back In Your Head

Tegan and Sara

[Verse 1]

Build a wall of books between us in our bed  
Repeat, repeat the words that I know we both have said  
Relax into the need, we get so comfortable  
Remember when I was so strange and likable?

[Hook]

I just want back in your head  
I just want back in your head  
I'm not unfaithful but I'll stray  
When I get a little scared  
When I get a little scared  
When I get a little

[Verse 2]

When I jerk away from holding hands with you  
I know these habits hurt important parts of you  
Remember when I was sweet and unexplainable?  
Nothing like this person, unlovable

[Hook]

I just want back in your head  
I just want back in your head  
I'm not unfaithful but I'll stray  
When I get a little scared  
When I get a little scared  
When I get a little scared  
When I get a little

[Bridge]

Run, run, run, run  
Run, run, run, run

[Hook]

I just want back in your head  
I just want back in your head  
I'm not unfaithful but I'll stray  
I'm not unfaithful but I'll stray  
I'm not unfaithful but I'll stray

I'm not unfaithful but I'll stray
