

# Shelf

## Jonas Brothers

She's such a flirt  
And I am the lonely heart  
Give it a chance  
For our love to start but you'll never see  
If you don't give me a shot to show you what I got But it's too late to pretend  
You know me better than I know myself  
Don't take my heart and put it on a shelf  
Always someone else  
The next guy who will make your cold heart melt  
I'm gonna give my love to someone else I held your hand (aahhh)  
It felt like a movie  
I made some plans (aahh)  
But you were already moving on now  
I'm stuck under a rainy cloud but you don't seem to care  
But it's alright 'cause  
It's too late to pretend  
You know me better than I know myself  
Don't take my heart and put it on a shelf  
Yeah  
Always someone else the next guy who will make your cold heart melt  
I'm gonna give my love to someone else I'm tired of wasting all my time  
My heart is hanging on the line  
Is it me, girl, or someone else?  
Please take me off the shelf Too late to pretend  
You know me better than I know myself  
Don't take my heart and put it on a shelf La, la, la, la, la  
La, la, la, la, la (Everybody!)  
Always someone else the next girl  
Who will make your cold heart melt  
I'm gonna give my love to someone else  
Yeah!  
Uhhhhh
