

# Life of the Party

Ingrid Andress

I'm laughing, I'm dancing  
On tables, wearing sunglasses  
Fantastic, yeah I'm killing it I'm faded, I'm taken  
More shots, tequila and Jameson  
I'm famous, yeah  
I'm killing it It's 3:00 a.m., still going strong  
No going home, no Look at me, I'm the life of the party  
'Round here, everybody loves me  
But they don't know that I've been hurting  
'Cause, baby, ever since you left me  
I've been the life of the party  
Yeah, I'm the life of the party  
I'm drinking my feelings  
'Cause Lord knows that I need it  
Repeating this whole thing every night I'm happy, I promise  
Couldn't care less if you call me  
Honestly, I swear I'm doing fine It's 3:00 a.m., still going strong  
No going home, no Look at me, I'm the life of the party  
'Round here, everybody loves me  
But they don't know that I've been hurting  
'Cause, baby, ever since you left me  
I've been the life of the party  
Yeah, I'm the life of the party If only you could see me now  
I'm going hard, I shut it down  
I'm better that you're not around  
If only you could see me now  
I'm going hard, I shut it down  
I'm better that you're not around  
At least that's what I tell myself I'm the life of the party  
'Round here, everybody loves me  
But they don't know that I've been hurting  
'Cause, baby, ever since you left me  
I've been the life of the party  
Yeah, I'm the life of the party  
Yeah, I'm the life of the party  
I'm the life of the party
