

# Square One

## Coldplay

You're in control  
Is there anywhere you want to go?  
You're in control  
Is there anything you want to know?  
The future's for discovering  
The space in which we're traveling From the top of the first page  
To the end of the last day  
From the start in your own way  
You just want somebody listening to what you say  
It doesn't matter who you are  
Under the surface trying to break through  
Deciphering the codes in you  
I need a compass, draw me a map  
I'm on the top, I can't get back Whooooaaa, whooooaaa The first line on the first page  
To the end of the last page (you were looking)  
From the start in your own way  
You just want somebody listening to what you say  
It doesn't matter who you are  
It doesn't matter who you are You just want somebody listening to what you say  
You just want somebody listening to what you say  
It doesn't matter who you are  
It doesn't matter who you are  
Is there anybody out there who  
Is lost and hurt and lonely too?  
Are they bleeding all your colours into one?  
And if you come undone  
As if you've been run through  
Some catapult had fired you  
You wonder if your chance will ever come  
Or if you're stuck in square one
