

Jackknife

Nim Vind

I don't want to be over you
I just want to make you cry
I want to see it die all over me
I want to see it smash against this world

Even though she looks sweet and pretty
There's gonna be a knife put in your back
If you keep going back again

Now I know that I'm on my own
And I walk these vicious streets wanting you
I can feel your touch changing me
I can feel you turn my madness on

I don't want to be over you
I want to see it
Die and I can't wait no longer
I want to see it smash my dreams dead
