

Smile

Weezer

[Verse 1]

Open the door and let your love come down
Over the wall, you're spinning 'round and 'round
Because you wanted some love
I'll make it happen

[Chorus]

'Cause I don't want to break
Your fine face, I can't take
The way you want to wrap me up
Inside your smile

[Verse 2]

Open your heart and let the good stuff out
Water me girl and let me ease the drought
Because you wanted some love
I'll make it happen

[Chorus]

'Cause I don't want to break
Your fine face, I can't take
The way you want to wrap me up
Inside your smile

[Post-Chorus]

I can't be gone, darling
For very long, no
Never know what you're going to do
Standing there deep in front of you
Take a look in between my eyes
Because I'm back, yeah

[Chorus]

'Cause I don't want to break
Your fine face, I can't take
The way you want to wrap me up
Inside your smile

[Post-Chorus]

I can't be gone, darling

For very long, no
Never know what you're going to do
Standing there deep in front of you
Take a look in between my eyes
Because I'm back, yeah

[Outro]
Give me a chance if you can force yourself
Look at me girl and get up off your shelf
Because you wanted some love
I'll make it happen
