

# Californication

## Red Hot Chili Peppers

[Verse 1]

Psychic spies from China try to steal your mind's elation  
An' little girls from Sweden dream of silver screen quotation  
And if you want these kind of dreams, it's Californication  
It's the edge of the world and all of Western civilization  
The sun may rise in the east at least it's settled in a final location  
It's understood that Hollywood sells Californication

[Pre-Chorus]

Pay your surgeon very well to break the spell of aging  
Celebrity skin, is this your chin or is that war you're waging?  
First born unicorn  
Hardcore soft porn

[Chorus]

Dream of Californication  
Dream of Californication  
Dream of Californication  
Dream of Californication

[Verse 2]

Marry me, girl, be my fairy to the world, be my very own constellation  
A teenage bride with a baby inside getting high on information  
And buy me a star on the boulevard, it's Californication  
Space may be the final frontier but it's made in a Hollywood basement  
And Cobain, can you hear the spheres singing songs off Station to Station?  
And Alderaan's not far away, it's Californication

[Pre-Chorus]

Born and raised by those who praise control of population  
Well, everybody's been there and I don't mean no vacation  
First born unicorn  
Hardcore soft porn

[Chorus]

Dream of Californication  
Dream of Californication  
Dream of Californication  
Dream of Californication

[Guitar Solo]

[Verse 3]

Destruction leads to a very rough road but it also breeds creation  
And earthquakes are to a girl's guitar they're just another good vibration  
And tidal waves couldn't save the world from Californication

[Pre-Chorus]

Pay your surgeon very well to break the spell of aging  
Sicker than the rest, there is no test but this is what you're craving  
First born unicorn  
Hardcore soft porn

[Chorus]

Dream of Californication  
Dream of Californication  
Dream of Californication  
Dream of Californication
