

Track 10

Charli XCX

[Intro]

(X-C-X, Charli)

(I just wanna spend the night)

I just wanna drink you up

Love, I do

Love, I do

Ooh

I blame it on your love

Love

[Verse 1]

Every time you get too close I run, I run away

And every time you say the words, I don't know what to say

Back, back to the beginnin'

Really wish that I could change

I do, I do (I do)

Every time you get too close I run, I run away

And every time you say the words, I don't know what to say

Back, back to the beginnin'

Really wish that I could change

I do, I do, I do

[Chorus]

I blame it on your love

Every time I fuck it up

I blame it on your love, I do

I blame it on your love

I can't help it, I can't stop

I blame it on your love, I do

I blame it on your love

Every time I fuck it up

I blame it on your love, I do

I blame it on your love

I can't help it, I can't stop

I blame it on your love, I do

[Verse 2]

Sorry, I'm a little scared

But no one ever really cared

I took you for granted

Just a big misunderstandin'
I just wanna spend the night
Fuckin' in your bed tonight
Watch a little TV
I love it when you need me

[Life Sim sample]

[Chorus]

I blame it on your love
Every time I fuck it up
I blame it on your love, I do
I blame it on your love
I can't help it, I can't stop
I blame it on your love, I do
I blame it on your love
Every time I fuck it up
I blame it on your love, I do
I blame it on your love
I can't help it, I can't stop
I blame it on your love, I do
I blame it on your love
Every time I fuck it up
I blame it on your love, I do
I blame it on your love
I can't help it, I can't stop
I blame it on your love, I do
