

# Hello

## Kelly Clarkson

Yes I stumbled into the night  
We're touching but I feel like you are still out of reach  
The people here are buzzing like a bug on a light  
I'm feeling like I always see them, but they can't see me  
Sentimental feelings  
Never get me anywhere  
My heart concern is bleeding  
Is there anybody, anybody? Hello, hello  
Is anybody listening?  
Let go! 'Cause everyone lets go of me  
Oh oh, won't somebody show me that I'm not alone, not alone, no  
Coming through this desert of stone  
These faces on the statues that I used to know  
Wishing I was more than what my story has told  
Or hoping that I'm dreaming in the day and this isn't happening  
Gotta keep it all together  
Longin' for a hand to hold  
Keep clear of the shadows  
Is there anybody, anybody? Hello, hello  
Is anybody listening?  
Let go! Cause everyone lets go of me  
Oh oh, won't somebody show me that I'm not alone, not alone, no  
Holding on to the memories of when I, I didn't know  
Ignorance isn't wise but it beats being alone  
Yeah, ooh yeah Hello  
Is anybody listening?  
Let go! 'Cause everyone lets go of me  
Oh oh, won't somebody show me that I'm not alone, not alone  
Hello  
Is anybody listening?  
Let go! 'Cause everyone lets go of me  
Oh oh, won't somebody show me that I'm not alone, not alone
