

# Just a Kiss

## Lady Antebellum

Lying here with you so close to me  
It's hard to fight these feelings when it feels so hard to breathe  
I'm caught up in this moment  
Caught up in your smile I've never opened up to anyone  
So hard to hold back when I'm holding you in my arms  
But we don't need to rush this  
Let's just take it slow Just a kiss on your lips in the moonlight  
Just a touch of the fire burning so bright  
No I don't want to mess this thing up  
I don't want to push too far  
Just a shot in the dark that you just might  
Be the one I've been waiting for my whole life  
So baby I'm alright, with just a kiss goodnight  
I know that if we give this a little time  
It'll only bring us closer to the love we wanna find  
It's never felt so real,  
No, it's never felt so right Just a kiss on your lips in the moonlight  
Just a touch of the fire burning so bright  
No I don't want to mess this thing up  
I don't want to push too far  
Just a shot in the dark that you just might  
Be the one I've been waiting for my whole life  
So baby I'm alright, with just a kiss goodnight No, I don't want to say goodnight  
I know it's time to leave, but you'll be in my dreams  
Tonight, tonight, tonight  
Just a kiss on your lips in the moonlight  
Just a touch of the fire burning so bright  
No I don't want to mess this thing up  
I don't want to push too far  
Just a shot in the dark that you just might  
Be the one I've been waiting for my whole life  
So baby I'm alright, oh, let's do this right  
With just a kiss goodnight  
With a kiss goodnight, kiss goodnight
