

Nothing Without You

The Weeknd

I realized, I belong to you
I feel the darkness, I run away from you Don't stop your lovin', walk out on me
Don't stop for nothin', you're what I bleed
I learned to love you, the way you need
'Cause I know what's pain, this is not the same I'd be nothing', nothing', nothing', nothing'
without you
Nothing, nothing, nothing, nothing
I'd be nothing', nothing', nothing', nothing' without you
Nothing, nothing, nothing, nothing I was too busy tryna find you with someone else
The one I couldn't stand, to be with was myself
'Cause I'd be nothing', nothing', nothing', nothing' without you
Nothing, nothing, nothing, nothing
Pick up your phone, I got a question, oh
If I die tonight, would you regret it? Don't stop your lovin', it's all I have
'Cause I can't function, no I won't last
I swear I'll love you just like the past
'Cause I know what's pain, this is not the same I'd be nothing', nothing', nothing', nothing'
without you
Nothing, nothing, nothing, nothing
Oh, I'd be nothing', nothing', nothing', nothing' without you
Nothing, nothing, nothing, nothing I was too busy tryna find you with someone else
The one I couldn't stand, to be with was myself
'Cause I'd be nothing', nothing', nothing', nothing' without you
Nothing, nothing, nothing, nothing
When I feel the love, girl I hesitate
It's what I'm guilty of, oh yeah (oh yeah, oh yeah)
I can't get enough, I'm insane
Without your touch
Touch, touch, touch
I'd be nothing', nothing', nothing', nothing'
Nothing', nothing', nothing', nothing'
Nothing', nothing', nothing', nothing' without you
Without you, without you, without you
