

Restart

Sam Smith

It was a Monday night when you told me it was over babe
And by the Friday night, I knew that I would be okay
Don't say it was a good thing
Don't say it was the right thing to do
Don't say it was the best thing, for the both of us
When I'm the one playing the fool What do you want from me when I just wanna restart
You keep coming back for me when I'm the one who tore us apart
And the truth is I'm better, on my own
When I'm the one who lives in the past
So let me restart
So let me restart
So let me restart
You've been lighting up my phone worried that I'll be alone tonight
Wanna make sure that I'm fine
But baby, you're not on my mind
No more
I know it was the best thing for the both of us
Cause you're the one who looks like a fool What do you want from me, when I just wanna
restart?
You keep coming back for me, when I'm the one who tore us apart
And the truth is I'm better, on my own
When I'm the one who lives in the past
So let me restart
So let me restart
So let me restart
So let me restart
What do you want from me, when I just wanna restart?
You keep comin' back for me, when I'm the one who tore us apart
And the truth is I'm better, on my own
I'm the one who lives in the past
So let me restart
So let me restart
So let me restart
So let me restart
So let me restart
(Hmmmmmm...)
