

I Knew You Were Trouble Parody

Bart Baker

[Taylor:]
Once upon a time, before I was insane
I dated this Disney guy, Joe Jonas was his name
But he broke up with me
[Joe:]
You're just way too creepy, plus I found someone else, his name's Mickey. (HO HO)
[Taylor:]
So, I wrote a song about his stupid ass
Then, found this guy named John
But that was over fast
If you don't marry me, I will pull out your teeth!
[John:]
You're totally crazy
[Taylor:]
No!
[John:]
Yes!
[Taylor:]
No!
[John:]
Yes!
[Taylor:]
Maybe...
He hit me with his guitar, and he said that "we are through."
Just you wait, until I write a song about you!
Then, I met that Jake Gyllenhal dick
And was obsessed right away!
[Jake:]
You've sent me 1,000 messages!
And that's just from today!!
[Taylor:]
Oh, that's because I'm having your baby!
[Jake:]
What?! But, you don't even put out
[Taylor:]
Stop questioning me, Jakey
Or I'll punch you 6 feet underground!!!!!!
[Jake:]
WHOA! WHOA!
Psycho, psycho, psycho!

[Taylor:]
Fine, go! It's good material
Next came Kennedy, I think he was fifteen
I bought the house next door
To watch you constantly, and also to make sure.. You never ever cheat!

[Connor:]
OMG! We are done, you are scary!

[Taylor:]
Harry was my last, that One Direction freak
I taped him to my wall, so he could never leave

[Harry:]
Someone call the police!
You're insane we are through!

[Taylor:]
You're just like all the rest!
What did I do to you?!
So I used, my stalker app
To track down, all of those pricks
The next song I write I'll use, their blood as my ink! Hey!

[Jake:]
Holy crap, that nut job just bursted in!

[Ex-Boyfriends:]
Ahh!

[Taylor:]
What the hell is this?
[Ex-Boyfriends:]
It's a support group for all the men
You wrote songs about, you bitch!

[Taylor:]
What? I have not written about Harry yet

[Harry:]
I am just planning ahead

[John:]
Why are you even here anyway?

[Taylor:]
To finish you all off with my pen!

[Ex-Boyfriends:]
No, no, devil, devil, devil

[Taylor:]
Oh, oh, It's true, I'm the devil!

[Doctor:]
OK! that's enough
You were right, she's nuts
You are coming with us

[Taylor:]
Wait, what?
Get off of me, I'm not crazy!!

AH!
[Ex-Boyfriends:]

It worked!
This was all a trick, we knew you would come
So, we hired this doctor
[Doctor:]
You're going to an insane asylum
Based on the behavior I observed
[Taylor:]
Oh, oh, Let me go, you assholes!
[Assholes:]
No! No!
[Doctor:]
Welcome to your new home
[Mickey:]
Haha, so you're crazy too, huh?
