

Hands All Over

Maroon 5

Put your hands all over
Put your hands all over me
Put your hands all over
Put your hands all over me I can't seem to find the pretty little face I left behind
Wandered out on the open road
Looking for a better place to call home Gave her a place to stay
But she got up and ran away And now I've had enough
That pretty little face has torn me up
Put your hands all over me
Please talk to me, talk to me Tell me everything is gonna be alright
Put your hands all over me
Please walk with me, walk with me (now) Love is a game, you say
Play me and put me away
Put your hands all over me
Now you've lost your mind, pretty little girl I left behind
I'm not yours, getting rub
but everybody knows you're not that tough Wandered out on the open road
Looking for a place to call your own You're scared to death of the road ahead You pretty little
thing, don't get upset
Put your hands all over me
Please talk to me, talk to me Tell me everything is gonna be alright
Put your hands all over me
Please walk with me, walk with me (now) Love is a game, you say
Play me and put me away Love is a game, you say
Play me and put me away
Put your hands all over me
So come down off your cloud
Say it now and say it loud
Get up in my face
Pretty little girl, come make my day
Put your hands all over me
Please talk to me, talk to me
Put your hands all over me
Gotta walk with me, walk with me (now) Put your hands all over me
Gotta talk to me, talk to me
Put your hands all over me
Gotta walk with me, walk with me (now) Love is a game, you say
Play me and put me away
Put your hands all over
Put your hands all over me
