

Hella Good

No Doubt

The waves keep on crashing on me for some reason
But your love keeps on coming like a thunderbolt
Come here a little closer
'Cause I wanna see you, baby, real close up
(Get over here) You've got me feeling hella good
So let's just keep on dancing
You hold me like you should
So I'm gonna keep on dancing
A performance deserving of standing ovations
And who would have thought it'd be the two of us
So don't wake me if I'm dreaming
'Cause I'm in the mood come on and give it up You've got me feeling hella good
So let's just keep on dancing
You hold me like you should
So I'm gonna keep on dancing
You've got me feeling hella good
So let's just keep on dancing
You hold me like you should
So I'm gonna keep on dancing Ooh yeah yeah
Ooh yeah yeah
You've got me feeling hella good
So let's just keep on dancing
You hold me like you should
So I'm gonna keep on dancing
You've got me feeling hella good
So let's just keep on dancing
You hold me like you should
So I'm gonna keep on dancing Keep on dancing
Keep on dancing
