

# Day Ones

## GASHI

[Hook]

I got my day ones with me  
AOnes with me  
Real ones with me  
That is all I need  
We don't want no love  
We just want to fuck all your bitches  
I got my day ones with me  
AOnes with me  
Real ones with me  
That is all I need  
We don't want no love  
We just want to fuck all your bitches

[Verse 1]

I don't stand too far from the greatest  
Pippen going hard pay attention  
I've been in my zone keep a distance  
You know that I'm gone getting wasted  
I'm putting it over time  
Whippin I'm whippin whippin  
Swear to God all this money and fame and this rapping make all of these people start acting  
different  
They never wanted us  
I just want to tell the world I got hope when I'm broken as Dishes  
You know that I'm up and I'm making a difference for my  
Day ones with me  
AOnes with me  
Real ones with me  
That is all I need  
We don't want no love  
We just want to fuck all your bitches

[Hook]

I got my day ones with me  
AOnes with me  
Real ones with me  
That is all I need  
We don't want no love

We just want to fuck all your bitches

[Verse 2]

Bitch I'm respected  
I always stay reppin that red and black  
4s up the one never second  
So many women sippin up in my section  
I see a few doubters it's time to start flexin  
They pulled a U turn its too late you can exit  
Should've paid attention  
I said I'm gon' shine  
I'm here to take what's mine  
We on a one way flight (to the money)  
Goddamm I'm blowing up  
Pulled up right to the club  
They asked me who I'm with? My

[Hook]

Day ones with me  
AOnes with me  
Real ones with me  
That is all I need  
We don't want no love  
We just want to fuck all your bitches  
Day ones with me  
AOnes with me  
Real ones with me  
That is all I need  
We don't want no love  
We just want to fuck all your bitches

[Verse 3]

Oh wooh what a night  
This drink got me right  
Quarter to five  
She said she ain't leaving until she see light  
We cannot walk straight can't make it outside  
She got all her friends and you know I got mine  
The car can't fit nine  
We need one more ride  
She asked me who you Rollin with?  
I said 'You stupid bitch you know I always got my'

[Hook]

Day ones with me  
AOnes with me  
Real ones with me  
That is all I need  
We don't want no love

We just want to fuck all your bitches  
Day ones with me  
A Ones with me  
Real ones with me  
That is all I need  
We don't want no love  
We just want to fuck all your bitches
