

Right Here

Miley Cyrus

I'll be right here where you need me
Anytime just keep believin'
And I'll be right here If you ever need a friend
Someone to care and understand
I'll be right here All you have to do is call my name
No matter how close or far away
Ask me once and I'll come, I'll come runnin' And when I can't be with you dream me near
Keep me in your heart and I'll appear
All you gotta do is turn around
Close your eyes, look inside
I'm right here
Isn't it great that you know that
I'm ready to go wherever you're at
Anywhere I'll be there All you have to do is call my name
No matter how close or far away
Ask me once and I'll come, I'll come runnin' And when I can't be with you dream me near
Keep me in your heart and I'll appear
All you gotta do is turn around
Close your eyes, look inside
I'm right here Whenever you need me
There's no need to worry
You know that I'm gonna be
Right here! Ask me once and I'll come, I'll come runnin'
And when I can't be with you dream me near
Keep me in your heart and I'll appear
All you gotta do is turn around
Close your eyes, look inside
I'm right here, oh yeah yeah, I'm right here
