

# Run Like the River

Meghan Trainor

[Verse 1]

You're allowed to feel however you feel  
You don't always have to hide your tears  
Even if today doesn't go your way  
I bet I'll get you smiling ear to ear

[Pre-Chorus]

(Woo!)

Everybody has their days  
I know we gon' be okay  
You don't have to be afraid

[Chorus]

When the rain falls down  
I promise I won't run, run like the river  
When the rain falls down  
I promise I won't run, run like the river

[Verse 2]

I believe in you, you know what to do  
Be the hero that's like no one else  
You been here before, closing every door  
Happiness is what you owe yourself

[Pre-Chorus]

(Woo!)

Everybody has their days  
I know we gon' be okay  
You don't have to be afraid

[Chorus]

When the rain falls down  
I promise I won't run, run like the river  
When the rain falls down (Oh)  
I promise I won't run, run like the river  
When the rain, when the rain falls down  
I won't run, run like the river  
When the rain, when the rain falls down  
I won't run, run like the river

[Bridge]

When the rain falls down (Hey)  
I promise I won't run, run like the river (Everybody, say, c'mon)  
When the rain falls down (When the rain falls down)  
I promise I won't run, run like the river

[Chorus]

When the rain falls down  
I promise I won't run, run like the river (Hey)  
When the rain falls down  
I promise I won't run, run like the river  
When the rain, when the rain falls down  
I won't run, run like the river  
When the rain, when the rain falls down  
I won't run, run like the river
