

# Got Me Going Crazy

## Jonas Brothers

Hey there pretty lady  
Tell me how you're doing  
Tell me what can I do to helpCuz I've been thinking of you  
For a little while now  
And this right here is how I feelGirl you got me going crazy  
Knocked me off my feet  
Now you got me begging baby  
Begging baby please  
All I wanna know is do you wanna get away  
Get away with me  
Cuz girl I don't know what to do cuz I'm so in love with you  
Head over my heels  
Yeah I know how I feel  
Don't you know that I'm in love?  
Oh I was so lonely  
Now I know you love me  
This right here is how I feelWhoa!Girl you got me going crazy  
Knocked me off my feet  
Now you got me begging baby  
Begging baby please  
All I wanna know is do you wanna get away  
Get away with me  
Cuz girl I don't know what to do cuz I'm so in love with youC'mon!All I wanna know is do you  
wanna get awayYeah!  
Girl you got me going crazy  
Knocked me off my feet  
Now you got me begging baby  
Girl I'm on my knees  
All I wanna know is do you wanna get away  
Get away with me  
Cuz girl I don't know what to do cuz I'm so in love...  
So in love...
