

I Don't Wanna Know

Charli XCX

[Verse 1]

Laying in silence
You were a diamond, bright
Yeah, touching my fingertips
Melting into the night, oh
Secrets are locked up
Prison cell in your mind
Kisses fall on her lips
Kisses that should've been mine, yeah

[Chorus]

I don't wanna know
I don't wanna know
I don't wanna know
What you've done, what you've done
What you've done, what you've done
I don't wanna know
I don't wanna know
Who you love, who you love
Who you love
I know I'm losing you, so come on, tell the truth
Don't you tell me you're sorry, don't pretend you still want me
'Cause I don't wanna know, I already know
What you've done, what you've done
What you've done, what you've done, ooh, ooh
What you've done, what you've done
What you've done, ooh, ooh, ooh

[Verse 2]

Fighting the tears back
Fighting to make you stay
Screaming at angels
Holding a wall in my brain, yeah
Secrets are locked up
Prison cell in your heart, yeah
Kisses fall on her lips
The memory's left behind

[Chorus]

I don't wanna know

I don't wanna know
I don't wanna know
What you've done, what you've done
What you've done, what you've done
I don't wanna know
I don't wanna know
Who you love, who you love
Who you love
I know I'm losing you, so come on, tell the truth
Don't you tell me you're sorry, don't pretend you still want me
'Cause I don't wanna know, I already know
What you've done, what you've done
What you've done, what you've done, ooh, ooh
What you've done, what you've done
What you've done, ooh, ooh, ooh
