

Have Yourself a Merry Little Christmas

[Mitchell Tenpenny](#)

[Verse 1]

Have yourself a merry little Christmas
Let your heart be light
From now on our troubles will be out of sight
Oh yeah

[Verse 2]

Have yourself a merry little Christmas
Make the Yuletide gay
From now on our troubles will be miles away
Oh, miles away, yeah

[Verse 3]

Here we are as in olden days
Happy golden days of yore
Faithful friends who are dear to us
Gather near to us, oh, once more
Yeah, yeah

[Verse 4]

Through the years we all will be together (Together)
If the fates allow, oh
Hang a shining star upon the highest bough
Oh-oh, oh-oh-oh, oh, oh

[Chorus]

Have yourself a merry little Christmas
Have yourself a merry little Christmas
Ho, have yourself a merry little Christmas

[Outro]

Oh-oh-oh
