## Joyner Lucas & Will Smith

Hey  
Will  
Yeah I'm feelin' like Will (Hey)  
I think I'm a prince, I'm feelin' myself (Buck, buck)  
I'm loaded with bills, 'cause I wasn't blessed with no Uncle Phil (Woah)

I got me some paper, hired a butler and got me a waiter (Woah)  
I wanna get married, but none of my shorties remind me of Jada  
Or maybe I'm just too afraid to settle, I wish I was plannin' it different  
I think It's a phase, I'm very conditioned  
I'm stuck in my ways and scared of commitment, I'm very conflicted (Ooh)

Ain't nothin' much you can tell me, I blew through a milli and threw me a party, ooh (Buck,  
buck) I know I'm the one  
Dammit, I made it, I look at my son  
I feel like I'm dreamin', he truly a blessin'  
I'm really elated, I pray that he grow up like Willow or Jaden  
I know that he will  
I hope he look up to me like we used to look up to Phil
