

Earthquake

Marshmello & TYNAN

[Verse]

I'm about to change the game up
'Bout to cause an earthquake
Call it a shake-up, shake-up, ah
I'm about to change the game up
'Bout to cause an earthquake, ah
I'm about to change the game up
'Bout to cause an earthquake
Call it a shake-up, shake-up, ah
I'm about to change the game up
'Bout to cause an earthquake

[Pre-Drop]

'Bout to cause an earthquake, earthquake, earthquake, earthquake
Earthquake, earthquake, earthquake, earthquake
Earthquake, earthquake, earthquake, earthquake
'Bout to cause an earthquake, 'bout to demolish
Get it!

[Drop]

'Bout to demolish
'Bout to cause an earthquake

[Verse]

I'm about to change the game up
'Bout to cause an earthquake
Call it a shake-up, shake-up, ah
I'm about to change the game up
'Bout to cause an earthquake, ah
I'm about to change the game up
'Bout to cause an earthquake
Call it a shake-up, shake-up, ah
I'm about to change the game up
'Bout to cause an earthquake

[Pre-Drop]

'Bout to cause an earthquake, earthquake, earthquake, earthquake
Earthquake, earthquake, earthquake, earthquake
Earthquake, earthquake, earthquake, earthquake

'Bout to cause an earthquake, 'bout to demolish

[Drop]

'Bout to demolish
'Bout to cause an earthquake

[Outro]

I'm about to change the game up
'Bout to cause an earthquake
Call it a shake-up, shake-up, ah
I'm about to change the game up
'Bout to cause an earthquake
Call it a shake-up, shake-up, ah
