Wiggity, wiggity, water
I birthed these bitches, you know I'm their fathers
I asked them, "Why do they bother?"
Where is my lamb, baby I came to slaughter

And you know that I am hotter
Niggas is grown, but still acting like toddlers
Yeah I blow a kiss, diamonds my wrist
Y-3 my kicks, 10 deep my fit
Who wrote your diss? That shit a miss
I am an idol, yeah, just ask the kids
They takin' flicks, yeah they like my pics
All on my dick, all in my shit
You talk down, cause' you know I'm that bitch
Where is the tissue, cause' I am the shit

[Chorus]

Wiggity, wiggity, wack
Wiggity, wiggity, wack (oo)
Wiggity, wiggity, wack
Knock it out the park, like I got a bat (oo)
Wiggity, wiggity, wack
Wiggity, wiggity, wack (oo)
Wiggity, wiggity, wack
Bali Baby and I know I'm gon' snap (oo)
Wiggity, wiggity, wack

[Outro]

Did you just hear what the fuck I just said?
Huh, nah go ahead and replay that shit
Cause you know that shit was motherfuckin' fire
Ya feel me?
You know your whole house needs to be motherfuckin-
Tooted out

You know what the fuck going on man
Told y'all I had the bars man, I could do it all man
Fuck you mean?
