

Alive

Zedd & Empire of the Sun

Days go by my window
World slows down as it goes
Goodbye to last night
Lost love out of sight
Can't you help me see?
(They won't get right) Lovin' every minute cause you make me feel so alive, alive
Lovin' every minute cause you make me feel so alive, alive, alive, alive
Lovin' every minute cause you make me feel so alive
Wakin' in the snow
Tracin' steps with you
Swimmin' through the smoke
Wrapped in velvet coat
Can't you help me see?
(They won't get right)
Lovin' every minute cause you make me feel so alive, alive
Lovin' every minute cause you make me feel so alive, alive, alive, alive, alive, alive, alive,
alive, alive, alive, alive, alive, alive, alive, alive, alive, alive (They won't get right) Cause you make me
feel so alive,
alive, alive, alive, alive, alive, alive, alive
