

# So Will I (100 Billion X)

## Hillsong UNITED

[Verse 1:]

God of creation  
There at the start  
Before the beginning of time  
With no point of reference  
You spoke to the dark  
And fleshed out the wonder of light

[Chorus 1:]

And as You speak  
A hundred billion galaxies are born  
In the vapour of Your breath the planets form  
If the stars were made to worship so will I  
I can see Your heart in everything You've made  
Every burning star  
A signal fire of grace  
If creation sings Your praises so will I

[Verse 2:]

God of Your promise  
You don't speak in vain  
No syllable empty or void  
For once You have spoken  
All nature and science  
Follow the sound of Your voice

[Chorus 2:]

And as You speak  
A hundred billion creatures catch Your breath  
Evolving in pursuit of what You said  
If it all reveals Your nature so will I  
I can see Your heart in everything You say  
Every painted sky  
A canvas of Your grace  
If creation still obeys You so will I  
So will I  
So will I

[Bridge:]

If the stars were made to worship so will I

If the mountains bow in reverence so will I  
If the oceans roar Your greatness so will I  
For if everything exists to lift You high so will I  
And if the wind goes where You send it so will I  
If the rocks cry out in silence so will I  
If the sum of all our praises still falls shy  
Then we'll sing again a hundred billion times

[Verse 3:]

God of salvation  
You chased down my heart  
Through all of my failure and pride  
On a hill You created  
The light of the world  
Abandoned in darkness to die

[Chorus 3:]

And as You speak  
A hundred billion failures disappear  
Where You lost Your life so I could find it here  
If You left the grave behind You so will I  
I can see Your heart in everything You've done  
Every part designed in a work of art called love  
If You gladly chose surrender so will I  
I can see Your heart  
Eight billion different ways  
Every precious one  
A child You died to save  
If You gave Your life to love them so will I

[Tag:]

Like You would again a hundred billion times  
But what measure could amount to Your desire  
You're the One who never leaves the one behind
