

# People

AJJ

[Verse 1]

People are wasteful, they waste all the food  
People are hateful, and people are rude  
But God, I love some people sometimes  
Because people are very, very special

[Verse 2]

And people are impatient, and they don't know how to wait  
People are selfish, and people are prone to hate  
But God, I love some people sometimes  
Because people are the greatest thing to happen  
I said God, I love some people sometimes  
Because people are the greatest thing to happen

[Verse 3]

And people are people regardless of skin  
And people are people regardless of creed  
People are people regardless of gender  
People are people regardless of anything  
I said people are people regardless of gender  
People are people regardless of anything

[Verse 4]

And people are my religion, because I believe in them  
And people are my enemies, and people are my friends  
I have faith in my fellow man  
And I only hope that he has faith in me  
I said I have faith in my fellow man  
And I only hope that he has faith in me  
I said I have faith in my fellow man  
And I only hope that he has faith in me
