

The Whisperer (feat. Sia)

David Guetta

I was standing on the edge
I'd long for a new beginning
But I couldn't look down
No, I couldn't look down
I'm a coward
A million voices screamed in my head
And I felt sure that I would give in So why couldn't I now?
Why couldn't I now? Your voice was louder
But by design God gave me feelings And by design they shall not kill
But when the noises overwhelm me
I feel sure that they will
Oh, liberation comes in whatever form to save me
I hit bottom and then the whisper comes You whisper in the breeze
Whispers that I needed Quiet words Soothe the hurt
Whisperer
And though I struggle through the days now
It helps to know that you are listening So I'll just wait it out I'll wait this out by the hour
But by design God gave me feelings And by design they shall not kill
But when the noises overwhelm me I feel sure that they will
Oh liberation comes in whatever form to save me
I hit bottom and then the whisper comes You whisper in the breeze
Whispers that I needed
Quiet words
Soothe the hurt
Whisperer
