

Supa Bwe

Supa Bwe

[Intro]

Almighty on the beat, you know how we rockin'
Real Almighty shit

[Chorus]

Ooh-wee

Supa Bwe, Supa Bwe, Supa Bwe
I pop one, I pop two, I pop three
Senzu bean, that shit look like xan to me
I'm a goat, I'm a dog, I'm a beast
I'm an ape when the moon's at its peak
I'm a goat, I'm a dog, I'm a beast
I'm an ape when the moon's at its peak
I'm a goat, I'm a dog, I'm a beast
Ooh-wee

[Verse]

I'm a wolf in the cut, ignore the sheep
I eat wolves motherfucka thats what I eat
I make moves motherfucka, No I don't sleep
Ain't no rules motherfucka, don't play with me
Niggas talk that woo-woo-woo, we got shooters too
Why you staring in my face, Nigga peek-a-boo
I like how she eat, don't use hands, ooh-wee
I like how she speak, we in France, ooh oui

[Chorus]

Supa Bwe, Supa Bwe, Supa Bwe
I pop one, I pop two, I pop three
Senzu bean, that shit look like xan to me
I'm a goat, I'm a dog, I'm a beast
I'm an ape when the moon's at its peak
I'm a goat, I'm a dog, I'm a beast
I'm an ape when the moon's at its peak
I'm a goat, I'm a dog, I'm a beast

[Outro]

I'm alone, I'm alone

'Cause I burned every bridge tryna keep myself warm
