

Sweet Surrender

Sarah McLachlan

It doesn't mean much
It doesn't mean anything at all
The life I've left behind me is a cold room I've crossed the last line
From where I can't return
Where every step I took in faith betrayed me
And led me from my home And sweet surrender
Is all that I have to give Take me in, no question's asked
You strip away the ugliness that surrounds me
(Who are you?)
Are you an angel?
Am I already that gone?
I only hope that I won't disappoint you
When I'm down here on my knees
(Who are you?) And sweet surrender
Is all that I have to give
(Who are you?) And sweet surrender
Is all that I have to give Don't understand
The touch of your hand
I would be the one to fall
I miss the little things
I miss everything about you Doesn't mean much
It doesn't mean anything at all
The life I left behind me is a cold room
(Who are you?)
And sweet surrender
Is all that I have to give
(Who are you?) And sweet surrender
Is all that I have to give
