

# Cruel

Jax Jones

[Intro]

What you, what you gon' do?

[Verse 1]

Yeah,â€Š you're so good to me  
Whileâ€Š I'm so, I'm so bad to you  
Yeah, you  
Yeah, you  
Yeah,â€Š you're so good to me  
Whileâ€Š I'm so, I'm so bad to you  
Yeah, you  
Yeah,â€Š you

[Pre-Chorus]

You confess your love to me  
Do you mean it?  
Voices in your head say leave  
Butâ€Š you need it  
Mixed up with someone like me  
But you breathe it  
You breathe it

[Chorus]

Crawling over bad things that I did  
Even though it hurts you, you like it  
And you don't wanna leave, leave, leave, leave  
You don't wanna leave, leave, leave me  
So tell me now  
Are you hurt in love? Are you hurt in love?  
Are you hurt in love?  
Are you hurt? Are you hurt?  
Are you hurt in love? Are you hurt in love?  
Are you hurt in love?  
Are you hurt?

[Post-Chorus]

So tell me now  
So tell me now

[Verse 2]

You're such a fool for me  
While I'm so, I'm so cruel to you  
Yeah, you  
Yeah, you  
Yeah, you're such a fool for me  
Yeah, after all I do to you  
Yeah, you  
Yeah, you

[Pre-Chorus]

You confess your love to me  
Do you mean it?  
Voices in your head say leave  
But you need it  
Mixed up with someone like me  
But you breathe it  
You breathe it

[Chorus]

Crawling over bad things that I did  
Even though it hurts you, you like it  
And you don't wanna leave, leave, leave, leave  
You don't wanna leave, leave, leave me  
For anybody else, this is torture  
When everything I do to you brings you closer  
And you don't wanna leave, leave, leave, leave  
You don't wanna leave, leave, leave me  
So tell me now  
Are you hurt in love? Are you hurt in love?  
Are you hurt in love?  
Are you hurt? Are you hurt?  
Are you hurt in love? Are you hurt in love?  
Are you hurt in love?  
Are you hurt?

[Bridge]

So tell me now  
You hurt in love, you hurt in love  
You hurt in love, you hurt  
So tell me now  
You hurt in love, you hurt in love  
You hurt in love, you hurt  
So tell me now  
You hurt in love, you hurt in love  
You hurt in love, you hurt  
So tell me now  
You hurt in love, you hurt in love  
You hurt in love, you hurt

[Drop]

So tell me now  
So tell me now  
So tell me now  
So tell me now  
So tell me now

[Chorus]

Are you hurt in love? Are you hurt in love?  
Are you hurt in love?  
Are you hurt? Are you hurt?  
Are you hurt in love? Are you hurt in love?  
Are you hurt in love?  
Are you hurt?  
So tell me now

[Outro]

Are you hurt in love?  
Are you?  
Are you hurt in love?  
Are you?
