

Walkin' On the Sun

Smash Mouth

[Verse 1]

It ain't no joke I'd like to buy the world a toke
And teach the world to sing in perfect harmony
And teach the world to snuff the fires and the liars
Hey I know it's just a song but it's spice for the recipe
This is a love attack, I know it went out but it's back
It's just like any fad, it retracts before impact
And just like fashion it's a passion for the with-it and hip
If you got the goods they'll come and buy it
Just to stay in the clique

[Chorus]

So don't delay, act now, supplies are running out
Allow, if you're still alive, six to eight years to arrive
And if you follow, there may be a tomorrow
But if the offer's shunned
You might as well be walking on the sun

[Verse 2]

Twenty-five years ago they spoke out and they broke out
Of recession and oppression and together they toked
And they folked out with guitars around a bonfire
Just singing and clapping, man, what the hell happened?
Then some were spellbound some were hell-bound
Some they fell down and some got back up and
Fought back against the melt down
And their kids were hippie chicks, all hypocrites
Because fashion is smashing the true meaning of it

[Chorus]

So don't delay, act now, supplies are running out
Allow, if you're still alive, six to eight years to arrive
And if you follow, there may be a tomorrow
But if the offer's shunned
You might as well be walking on the sun

[Verse 3]

It ain't no joke when a mama's handkerchief is soaked
With her tears because her baby's life has been revoked
The bond is broke up, so choke up and focus on the close up

Mr. Wizard can't perform no godlike hocus-pocus
So don't sit back, kick back and watch the world get bushwhacked
News at ten, your neighborhood is under attack
Put away the crack before the crack puts you away
You need to be there when your baby's old enough to relate

[Chorus]

So don't delay, act now, supplies are running out
Allow, if you're still alive, six to eight years to arrive
And if you follow, there may be a tomorrow
But if the offer's shunned
You might as well be walking on the sun

[Outro]

You might as well be walking on the sun
You might as well be walking on the sun
You might as well be walking on the sun
You might as well be walking on the sun
