

Californication (feat. Caroline Pennell)

Syn Cole

Psychic spies from China try to steal your mind's elation
And little girls from Sweden dream of silver screen quotation
And if you want these kind of dreams, it's Californication

It's the edge of the world and all of western civilization
The sun may rise in the east, at least it's settled in a final location
It's understood that Hollywood sells Californication

Dream of Californication
Dream of Californication
Dream of Californication
Dream of Californication

Marry me girl, be my fairy to the world
Be my very own constellation
A teenage bride with the baby inside
Getting high on information
And buy me a star on the boulevard, it's Californication

Space may be the final frontier
But it's made in a Hollywood basement
And Cobain can you hear the spheres
Singing songs off "Station to Station"?
And Alderaan's not far away, it's Californication

Dream of Californication
Dream of Californication
Dream of Californication
Dream of Californication
