

Before the Storm (feat. Miley Cyrus)

Jonas Brothers

Yeah-ah-ah

Whoa-oh-oh-oh I know this isn't what I wanted

Never thought it'd come this far

Thinkin' back to where we started

And how we lost all that we are

We were young and times were easy

But I could see it's not the same

Standing here but you don't see me

Give it all for that to change

I don't want to lose her

Don't want to let her go

Standing out in the rain

Need to know if it's over

Cause I would leave you alone

I'm flooded with all this pain

Knowing that I'll never hold her

Like I did before the storm

Yeah-ah-ah

Before the storm With every stike of lightning

Comes a memory that lasts

Not a word is left unspoken

As the thunder starts to crash

Maybe I should give up Standing out in the rain

Need to know if it's over

Cause I would leave you alone

I'm flooded with all this pain

Knowing that I'll never hold her

Like I did before the storm

I'm trying to keep the lights from going out

And the clouds from ripping out my broken heart

They always say a heart is not a home

Without the one who gets you through the storm Standing out in the rain

Knowing that it's really over

Please don't leave me alone

I'm flooded with all this pain

Knowing that I'll never hold ya

Like I did before the storm

Yeah

Like I did before the storm
