

# Begin Again

Taylor Swift

Took a deep breath in the mirror  
He didn't like it when I wore high heels, but I do  
Turned the lock & put my headphones on  
He always said he didn't get this song but I do  
I do  
Walked in expecting you'd be late  
But you got here early & you stand & wave  
I walk to you  
You pulled my chair out & helped me in  
And you don't know how nice that is  
But I do  
And you throw your head back laughing like a little kid  
I think it's strange that you think I'm funny 'cause he never did  
I've been spending the last eight months thinking all love ever does  
Is break & burn & end  
But on a Wednesday in a café  
I watched it begin again

...

You said you never met one girl who had as many James Taylor records as you

But I do

We tell stories & you don't know why

I'm coming off a little shy

But I do

But you throw your head back laughing like a little kid  
I think it's strange that you think I'm funny 'cause he never did  
I've been spending the last eight months thinking all love ever does  
Is break & burn & end  
But on a Wednesday in a café  
I watched it begin again

...

And we walk down the block to my car

And I almost brought him up

But you start to talk about the movies that your family watches

every single Christmas & I won't talk about that

And for the first time, what's past is past 'Cause you throw your head back laughing like a little  
kid

I think it's strange that you think I'm funny 'cause he never did  
I've been spending the last eight months thinking all love ever does  
Is break & burn & end  
Then on a Wednesday in a café  
I watched it begin again  
Then on a Wednesday in a café  
I watched it begin again
