

# A Little Too Much

Shawn Mendes

She would not show that she was afraid  
But being and feeling alone was too much to face  
Though everyone said that she was so strong  
What they didn't know was that she could barely carry on But she knew that she would be okay  
So, she didn't let it get in her way  
Sometimes it all gets a little too much But you gotta realize that soon the fog will clear up  
And you don't have to be afraid because we're all the same  
And we know that sometimes it all gets a little too much  
She would always tell herself she could do this  
She would use no help it would be just fine  
But when it got hard she would lose her focus  
So, take my hand and it will be alright  
And she knew that she would be okay  
So, she didn't let it get in her way  
Sometimes it all gets a little too much But you gotta realize that soon the fog will clear up  
And you don't have to be afraid because we're all the same  
And we know that sometimes it all gets a little too much, yeah  
A little too much  
I said a little too much  
Sometimes it all gets a little too much  
But you gotta realize that soon the fog will clear up  
And you don't have to be afraid because we're all the same  
And we know that sometimes it all gets a little too much  
Sometimes it all gets a little too much But you gotta realize that soon the fog will clear up  
And you don't have to be afraid because we're all the same  
And we know that sometimes it all gets a little too much
