

# Do You Wanna Get Funky with Me

Peter Brown

[Verse 1]

The lady smiled at me when she asked about the possibility  
That we might spend some time alone  
And, oh, the thoughts that filled my head  
When she looked in my eyes and slowly said  
Do you wanna get funky with me?  
Do you wanna, whoa

[Refrain]

The idle mind is a playground for the devil  
Do you wanna get funky with me?  
Do you wanna?

[Break]

(Do you wanna get funky) 6x

[Verse 2]

The way she spoke to me  
Told me I had the opportunity  
To see how funky she could be  
And when I looked into her eyes  
The fire they held made me realize  
The flame was burning just for me  
The lady tempted me  
I closed my eyes, it was plain to see  
She was the devil in disguise  
And, oh, the message she'd relay  
When she would take my hand and say  
Do you wanna get funky with me?  
Do you wanna?

[Refrain]

[Break]

(I wanna set you on fire cause it's hot  
Cause it's hot) 5x

(It's so hot, I'm burning up, hot) 13x

(I wanna set you on fire

Cause it's hot  
Cause it's hot  
Cause it's hot)

[Verse 3]

I felt the heat within  
The lust of love and the urge to sin  
I felt her reaching for my soul  
And then I knew I had no choice  
But to heed the command of the devil's voice  
Do you wanna get funky with me?  
Do you wanna? Do you wanna?  
Do you wanna?

[Refrain]

The idle mind is a playground for the devil  
Do you wanna get funky with me?  
Do you wanna get funky?  
Do you wanna get funky with me?  
Do you wanna?

The idle mind is a playground for the devil  
Do you wanna get funky with me?  
Do you wanna?  
Do you wanna get funky with me?
