

More Love

Victor Wooten

We need to love each other our aidren
Hey Victa man
Give them love on your bass man
Give them love man
Listen to the man play the bass
He put love in the music man
Put more love in anything I and I do
Let us all sing together my brothers
La
La la la, la la la
La la la, la la la
La la la, la la la
Eveybody say
La
La la la, la la la
La la la, la la la
La la la, la la la
La la la
