

The Hum

Dimitri Vegas, Like Mike & Ummet Ozcan

Raise 'em up when the bass be droppin'
Raise 'em up when the bass be droppin'
Raise 'em up when the bass be droppin' Raise hands up when the bass is droppin'
When the bass be droppin'
When the bass be droppin'
When the bass be droppin'
When the bass be droppin'
When the drop
When the drop
When the drop
When the drop Raise 'em up and we don't stop rockin!
Raise 'em up when the bass be droppin'
Raise 'em up when the bass be droppin'
Raise 'em up when the bass be droppin'
Raise 'em up when the bass be droppin'
When the bass be droppin'
When the bass be droppin'
When the bass be droppin'
When the bass be droppin'
When the drop
When the drop
When the drop
When the drop
Raise 'em up and we don't stop rockin!
